Sir:

Appreciation is expressed to Exr. Pablo Tran for his courtesy and helpfulness during a telephone interview conducted on October 24, 2008 by Exr. Tran with the assistant of the undersigned attorney. During the course of the telephone interview, Exr. Tran indicated that the application would be allowed if claims 13-18 were canceled. In particular, Exr. Tran indicated that he was requiring restriction between the Group I claims 11, 12 and 19-30, the Group II claim 13, and the Group III claims 14-18. The undersigned attorney through his assistant, authorized the cancellation of Group II and III claims 13-18 by Examiner's Amendment so that the application could proceed to allowance.

If the Examiner believes that there are any other points which may be clarified or otherwise disposed of either by telephone discussion or by personal interview, the Examiner is invited to contact Applicants' undersigned attorney at the number indicated below.

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to the Antonelli, Terry, Stout & Kraus, LLP Deposit Account No. 01-2135 (Docket No. 520.46264X00), and please credit any excess fees to such deposit account.

Respectfully submitted,
